

The new invisible hearing solution

nuance audio
in tune with life

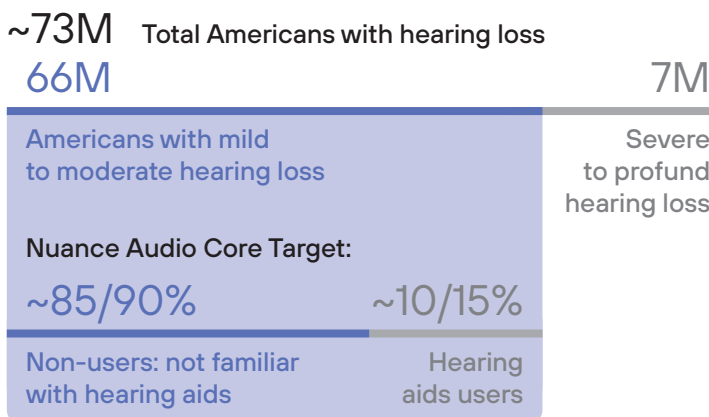

OUR MANIFESTO

Empowering the world to hear, see, and connect

Tune into a world where the beauty of sound knows no limits, where you can hear every detail and immerse yourself in the richness of life.

Because the better you hear, the more you can connect with what matters.

CONTEXT

Source: Global Burden of Disease Study (GBD; Haile et. al., 2024)

Key barriers to hearing aid adoption:

- Stigma
- Comfort
- Price

Source: Reasons for the non-use of hearing aids: perspectives of non-users, past users, and family members, Franks & Timmer, 2024

BREAKTHROUGH INNOVATION

Hear better in noisy environments with the all-in-one hearing glasses

The new invisible open-ear OTC hearing solution for perceived mild to moderate hearing loss.

Hear what you see with directional microphones

Hear comfortably with discreet open-ear speakers

What Makes Nuance Audio Hearing Glasses Unique

INVISIBLE HEARING AID

Break the stigma with discreet, stylish glasses that seamlessly integrate vision and hearing support.

OPEN-EAR COMFORT

Lightweight, open-ear speakers offer all-day comfort and avoid pain or irritation often caused by traditional hearing aids.

ALL-IN-ONE SOLUTION

A comprehensive solution addressing both vision and hearing needs in one elegant device.

DIRECTIONAL AMPLIFICATION

Enhance speech clarity in noisy environments with directional microphones & beamforming.

EASY TO USE

Simple to set up on your own with a user-friendly design that does not require audiologist assistance.

STYLE & PACKAGING

Available in two styles, Square 54/56 and Panthos, and two different colors to complement any look.

Inside the packaging you will find:

- 1 x Nuance Audio Glasses
- 1 x Glasses Case
- 1 x Cleaning Cloth
- 1 x Charging Pad, with cable included

ACCESSORIES & PACKAGING

Designed to be discreet and easy to use while maintaining the same sophisticated look as the eyewear.

LENSES

Nuance Audio Glasses are best paired with Transitions® lenses for seamless hearing and sight from day to night.

Available in non-prescription lenses in Grey and Emerald at purchase, and in a wide color range for prescription lenses on demand.

Option to add your preferred optical lenses based on your vision needs.

Nuance Audio Glasses Warranty does not cover damage caused by the installation or replacement of lenses in the glasses which is not conducted by Luxottica or a Luxottica authorized dealer. Warranty claims or returns for such damaged glasses will not be accepted.

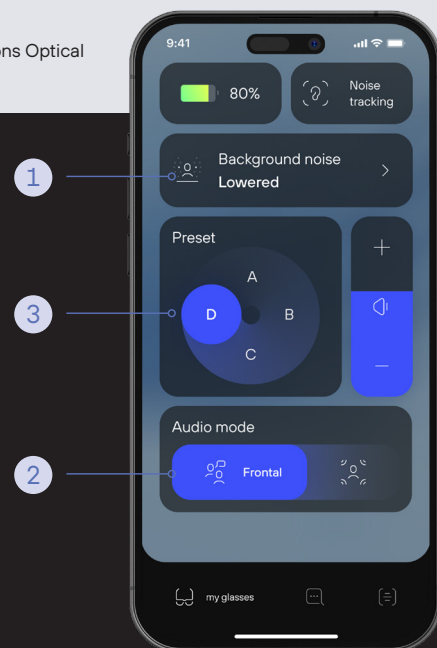

Transitions and the Transitions logo are registered trademarks of Transitions Optical, Inc. used under license by Transitions Optical Limited. Photochromic performance and polarization is influenced by temperature, UV exposure and lens material.

USER EXPERIENCE

Nuance Audio App: The essential Nuance Audio companion

Personalize the Nuance Audio experience with the Nuance Audio app. With the app users can:

- 1 Manage noise reduction level
- 2 Switch between alternative audio modes: Frontal vs. All-Around
- 3 Set your preferred preset options for a tailored hearing experience
